## The Charlevoix Yacht Club

N April 3, 1917, a special meeting of the directors was held in Chicago. Present: Messrs. Wilson, Hilton, King, Thomson, Linn and Dickinson. The following events for the season of 1916 were arranged:

### CLUB CHAMPIONSHIP

Four races will be sailed for the Club Championship, as follows:

Thursday p. m.	-	-	August 16th
Saturday a. m.	-	-	August 18th
Tuesday p. m.	-	-	August 21st
Thursday a. m.	-	-	August 23rd

All four races are to be sailed and counted for the championship if possible; if it is necessary to call off any race, the remaining three races shall be sailed and counted for the championship. If more than one scheduled race shall be called off, the regatta committee will arrange additional races until three races shall have been sailed, and these shall be counted for the championship. The point system of scoring shall be continued—a boat being credited with a point for each boat it defeats in

each race, and the winner of the largest number of points being awarded the Club Championship Trophy for 1917. A second prize shall be awarded to the boat having the second largest number of points.

---

### TEAM CUP

This perpetual trophy having been won twice by the Chicago Club, will again be sailed for during the present Regatta to determine the holder for the season of 1917. On the day preceding the opening of the Regatta, a committee of club members from each resort shall hand to the Commodore a list of three boats, owned by members of the club from their respective resorts, which shall constitute their team. The team of three boats having the largest sum total of points won during all the championship races of the Club Regatta shall be awarded the team trophy, and they shall have the custody of the trophy for one year.

Should any boat, constituting a unit of one of the two teams, be disabled during the Regatta, another boat may be substituted, but the substitution must be made before the start of any one race.

---

### YACHTS ELIGIBLE

Any sailing yacht, owned by a member of the Club, not exceeding thirty feet over all, of the type known as displacement boats, shall be eligible to all of the above events.

---

### FREE-FOR-ALL SAILING RACE

This race, this year, will be an innovation. A special cup will be presented to the winner of two races by the point system, from Charlevoix to Harbor Point and from Harbor Point to Charlevoix. The entries will be handicapped, and all details arranged and announced by the Regatta Committee. It is hoped that a long race in the open waters of Lake Michigan will call out many entries.

---

### MOTOR BOAT RACE

The motor boat race this season will be a handicap event. The details will be arranged and announced by the Regatta Committee. Mr. Logan Thomson has been elected official motor boat handicapper. Suitable prizes will be presented by the Club.

---

### SAILING RULES

It is desired to call the attention of members to the official sailing rules adopted by the Club, being those given in the "Handbook on American Yacht Racing Rules," by H. DeB. Parsens. Copies may be had of the Rudder Publishing Co., 254 West 34th St., New York.

---

### NEW MEMBERS

Messrs. F. V. Desolge and A. J. Larmon were proposed for membership and elected.
