

The Belvedere Club House and Casino

The Belvedere Club

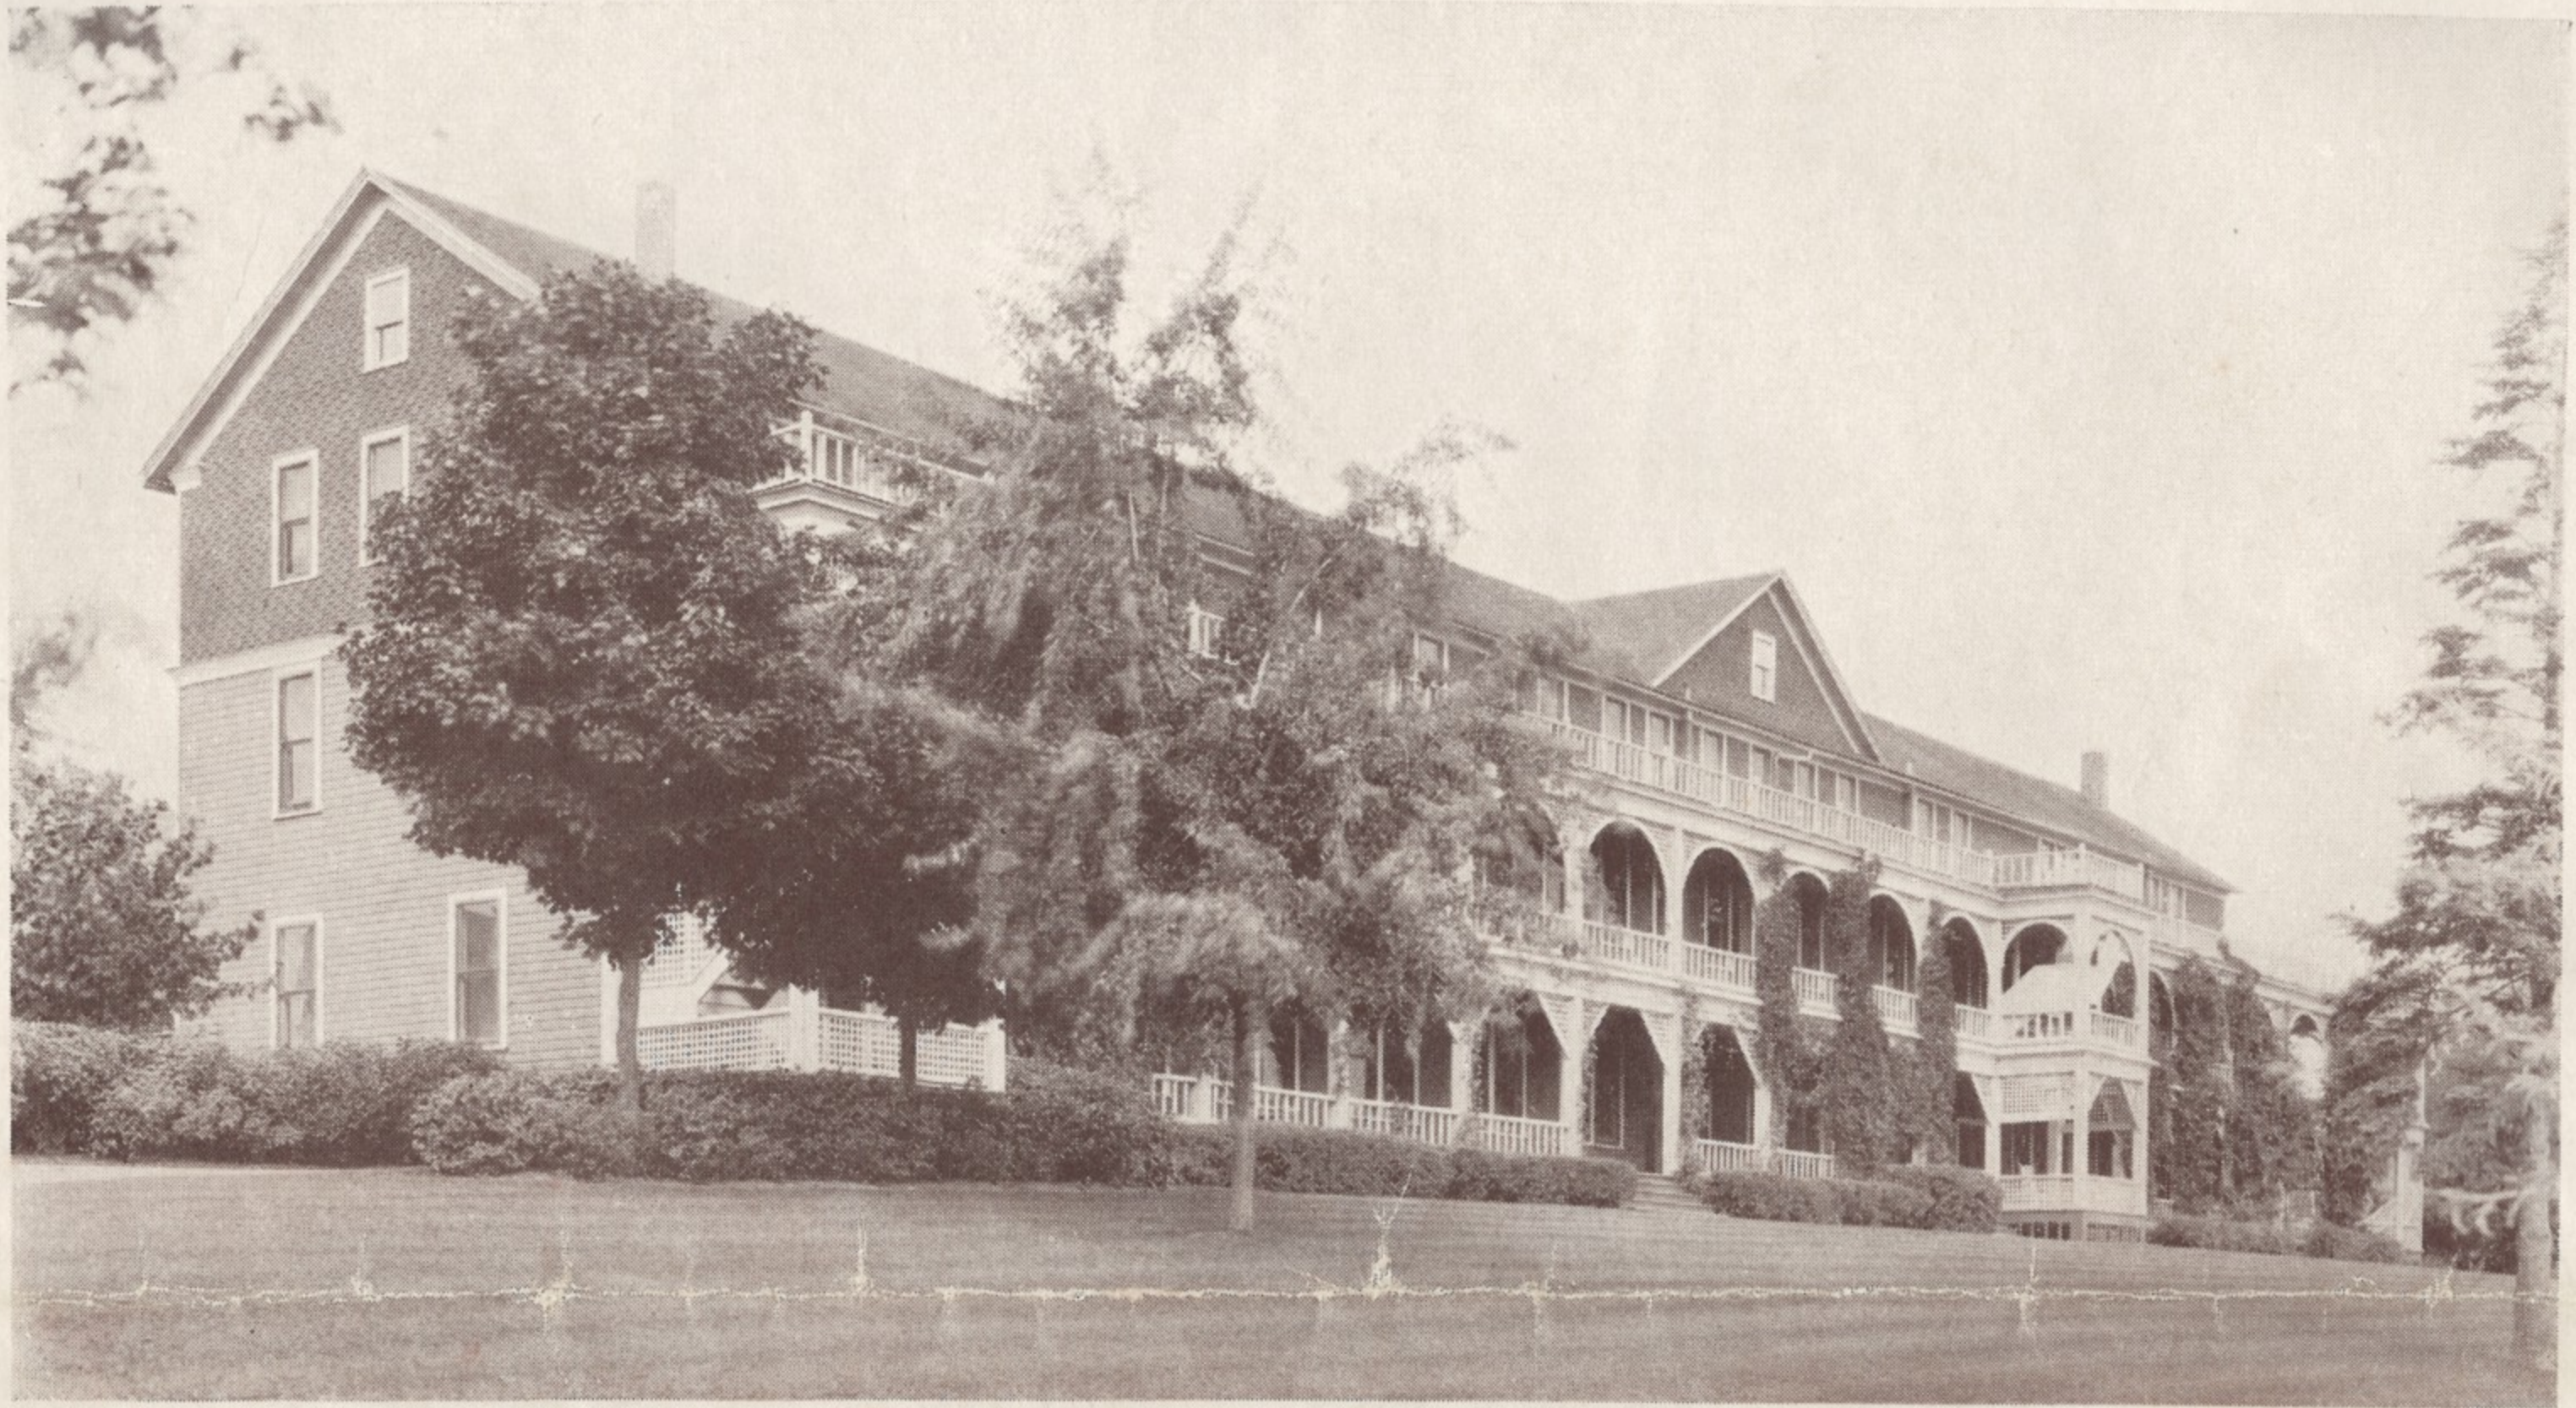

Charlevoix, Mich.

THE Belvedere Club is a private association of one hundred members who own cottages surrounding the Club House. The Club House can accommodate two hundred people and these guests will find the accommodations and cuisine excellent in every respect.

The new Belvedere Golf Club is only one mile distant and guests of the Club House are guests also of the Golf Club, subject to a nominal daily or seasonal fee. The new course is the finest in northern Michigan, in fact, fully up to the best courses in the larger cities. The fairways as well as the greens are watered, which is a most unusual feature for even the finest courses.

New Casino and many other Improvements

A NEW Casino for dancing and other entertainments has just been completed on the shore of beautiful Pine Lake only a few steps from the hotel. Also a new attractive Solarium has been added to the hotel from which guests can enjoy the view over Pine Lake or from the new veranda outside.

Many other new improvements have just been made, the most important of which is the addition of some thirty new bath rooms. Almost every room or suite now has a private bath, a very unusual accommodation for a summer hotel. The few remaining rooms without baths have practically all been equipped with hot and cold running water.

The New Club House of The Belvedere Golf Club

NORTHERN Michigan resorters will be delighted to hear that the new Belvedere golf course, finished in 1926, is now in excellent condition.

Designed by William Watson, who has laid out most of the big California courses, and built by Lavern A. Miller, of Sterling, Illinois, the course is not like the usual ones at northern resorts, but is fully up to the finest modern courses in the country.

A very attractive club house, as shown above, with lockers, showers, etc., has been built near the first tee.

THE annual regatta of the Charlevoix Yacht Club is held each summer about the middle of August and the sailing and motor boat races take place on Pine Lake in front of the hotel. Last summer the Chicago Yacht Club held a three day series of races on Pine Lake, after the Markins race, and arrangements no doubt will be made to repeat these attractive races this year.

The Belvedere has boat houses available for guests and also boats for rent.

A Belvedere Boat House on Round Lake

Boating

Charlevoix has a very unusual location for all kinds of boating. With its three bodies of water all joined by deep channels there is a choice of Lake Michigan, Pine Lake or Round Lake. The latter only about a half mile in diameter, between the two other lakes, is one of the finest harbors on the Great Lakes and is ideal for boat houses or anchorages.

Swimming

The Belvedere swimming dock and sand beach is the rendezvous for the cottagers and hotel guests each afternoon. An expert life guard and swimming instructor is kept on duty at the Belvedere dock.

Riding

There are many lovely paths through the woods for those who enjoy riding and excellent horses and instructors are in Charlevoix during the summer season.

Tennis

The Belvedere has seven excellent tennis courts, close at hand, with an instructor who takes charge of the tournaments and helps the younger children. There is no charge for tennis.

Fishing

Contrary to the usual opinion, there is still good fishing in and around Charlevoix. Bass and perch are plentiful in Pine Lake and in late August and early September many fine catches of steelhead have been made the last few years. The great improvement in the roads has also made the many small lakes and trout streams, within a radius of ten or fifteen miles of Charlevoix, easily available by automobile.

Golf

The new Belvedere Golf Club course, finished in 1926, is a modern course of the highest class with eighteen holes totaling sixty-five hundred yards.

The Charlevoix Golf Club, an eighteen hole course, is also close by and available to guests of The Belvedere Club.
