Your Invitation

You will find the food is excellent

There's joy in every bite —

And the northern air is tonic

For a jaded appetite.

— At the Belvedere

There's a life guard for the kiddies —

You may sail, or swim, or rest;

And for tennis, golf, and bathing

It is equal to the best.

— At the Belvedere

There is elevator service,

And a phone in every room;

A perfect sprinkler system,

Porches wide — a beautiful moon.

— At the Belvedere

Our cordial invitation

Has developed into rhyme,

But we hope you'll find it possible

To join us for a time.

— At the Belvedere
