

Northern Michigan, with the Belvedere Club Hotel acting as host, invites you to enjoy the beauty and relaxation of this famous summer spot of the North.

The Belvedere Club Hotel is located in Charlevoix, Michigan, which is in the northwest part of the lower peninsula, on highway U.S. 31 and M 66. With Lake Michigan on the one side and Lake Charlevoix on the other, hay fever is practically unknown in this area.

Charlevoix is on the Chesapeake and Ohio Railroad, with a stop at Belvedere Station. Petoskey, 16 miles from Charlevoix, is located on the Pennsylvania and also on the C & O Railroad.

Commercial Airports are located at Traverse City (50 miles) and Pellston (35 miles). Arrangements will be made to meet guests on request. There is also a large municipal airport within our City limits.
