For grass so green, and cool clear air;  
For song of bird and hum of bee;  
For beauty everywhere to see—

And sailboats drifting lazily by;  
For beauty of the blowing trees,  
And golfing in the cooling breeze—

Belvedere

We extend our invitation;  
Please join us for a time;  
The northern air is tonic  
And the food you'll find just fine—

Restful or gay, with memories dear;  
Just pack your bag and come along  
'Cause it's waiting for you here—
