

BELVEDERE CLUB 2019 ARCHITECTURAL INVENTORY

Site: 137

Historic Name N/A

Year Built c. 1890

Architectural Style Queen Anne

The one-and-a-half story cottage with its steeply pitched complex roof has a gable front wall dormer with a projecting gable creating a second-floor front porch. The full width front porch has shingle clad knee walls supporting Doric columns which may be an alteration from the 1910s. The multi-sided bay with hip roof on the north elevation and side porch to the rear are both indicative of the Queen Anne style.

Significant Features

- Complex roof with gable front wall dormer creating second floor front porch.
- Full width front porch with shingle knee walls supporting Doric columns and shingled wing walls at front steps.
- Multi-sided two-story bay on north side with hip roof.
- Shingle siding in gable front.

Condition

The cottage appears to be in good repair with no apparent issues.
