

BELVEDERE CLUB 2019 ARCHITECTURAL INVENTORY

Site: 404 **Historic Name** N/A
Year Built c. 1900
Architectural Style Shingle style

Although the siding has been replaced with an artificial siding representing shingles, the large gambrel front roof that has a flared bottom and overhangs the first floor creating a deep recessed front porch with large square shingle sided pillars are typical of the Shingle style massing. The decorative windows in the gable end are also typical of the style.

Significant Features

- Large gambrel front roof with flared bottom that overhangs the first floor creating a deeply recessed front porch with large square pillars and central stair.
- Decorative windows in the north gambrel end.
- Shed roof dormers in the sides of the gable roof are typical of the style.

Condition

The cottage appears to be in good repair with no apparent issues.
